

KHWAAB KI TABEER

Eh kitaab “Khwab Ki Taabeer” mukhtalif Buzurgaane-e-Deen-e-Islam ki riwaayaat, tajurbaat aur manqool kitaabon se jama ki gayi taabeeraat par mabni hai. Is mein bayan ki gayi taabeerain qat’i ya laazmi faisla nahi balkay andazay, isharaat aur ulama-e-salaf ki samajh par mabni hain.

Khwabon ki taabeer haalat, waqt, niyyat, imaan aur shakhsiyat ke mutabiq tabdeel ho sakti hai. Har khwab ka ek hi matlab hona zaroori nahi. Haqeeqi ilm sirf Allah Ta’ala ko hai, aur wahi behtareen jaanne wala hai.

Is kitaab ka maqsad:

- Ilm aur rehnumai faraham karna
- Islami riwaayat ke mutabiq khwabon ki samajh paida karna
- Aur qareen ko soch-o-fikr ki taraf raghbat dena

Yeh kitaab shari’at ka badal, qanooni mashwara, ya mustaqbil ka yaqini faisla samajh kar istemal na ki jaye. Kisi bhi aham faislay ke liye Qur’an-o-Sunnat, ulama-e-kirām aur aqal-o-hikmat se rehnumai hasil karna zaroori hai.

Agar kisi taabeer se ittifaq na ho, to use ghalti par mabni nahi balkay ikhtilaf-e-riwaayat samjha jaye. “Aur Allah hi behtar jaanta hai.”

Symbol / Action	Interpretation / Meaning
